Attention:
Chief, Office of
Legislative Liaison

Dear Mr. Director:

This is in response to your agency's request for advice on a proposed report supporting H.R. 4431, a bill "To amend the National Security Act of 1947 to regulate public disclosure of information held by the Central Intelligence Agency," and its companion bill S. 1324.

This confirms advice given informally on February 9, 1984, to of your staff by Branden Blum of this Office, that subject to the changes agreed upon, there is no objection to the presentation of this report to the Congress and that enactment of H.R. 4431 or S. 1324 would be in accord with the program of the President.

Sincerely,

James M. Frey
Assistant Director for
Legislative Reference
